

# UNIVO GYM MANAGEMENT SYSTEM

Complete Operating SOP: End-to-End Workflows, Button Actions & Daily Usage Guide

## CHAPTER 1: OVERVIEW & USER ROLE ARCHITECTURE

Univo Gym Management is a complete digital operating system built for commercial gyms, fitness clubs, and personal training studios. It manages billing, biometric turnstile security, automated fee expiry locking, trainer scheduling, staff payroll, and WhatsApp client communication.

### System Role Hierarchy & Access Capabilities

- **Owner (Super Admin):** Has full control over the gym: revenue reports, profit & loss, staff salaries, pricing plans, member deletions, biometric locks, and system settings.
- **Staff / Front Desk:** Can admit walk-in members, collect fees, generate receipts, record daily visits, and mark attendance without seeing confidential owner profit reports.
- **Trainer (Coach Portal):** Access restricted strictly to assigned clients, workout tracking, customized diet plans, client progress photos, and shift schedules.
- **Member (Client Portal):** Mobile-first client portal to view active membership, workout schedule, assigned trainer, diet chart, payment history, and biometric streak.

#### MULTI-IDENTIFIER STAFF LOGIN

Staff members and Trainers can login using either their Registered Email Address OR their 10-Digit Mobile Number along with their password.

## CHAPTER 2: GYM INITIAL SETUP (FIRST DAY CONFIGURATION)

When onboarding a new gym to Univo Gym Management, complete the following 4 foundational steps before admitting members:

### 1 Configure Gym Profile & Branding (Settings)

Open Settings > Gym Profile. Enter Gym Name, Phone, Email, Physical Address, and upload Gym Logo. Set up UPI QR Code for instant receipt payments and specify liability waiver terms.

### 2 Create Membership Plans (Memberships)

Go to Memberships. Define standard membership packages (e.g., 1-Month Basic Rs.2,500, 3-Month Pro Rs.6,500, 1-Year Elite Rs.18,000). Set duration in days, pricing, and features.

### 3 Add Add-on Services (Services)

Go to Services. Set up auxiliary revenue streams like Steam & Sauna, Personal Locker, Body Composition Scan, or Nutrition Consultation with Monthly or One-Time billing.

### 4 Add Trainers & PT Packages (Trainers)

Go to Trainers. Add trainers with Specialization, Shift Timings (Morning, Evening, Both), Phone, and individual Personal Training (PT) packages.

## CHAPTER 3: STAFF & ROLES PERMISSIONS MANAGEMENT (NEW)

Easily manage gym employees, trainers, and front-desk operators with granular module-level access control and 1-click password generation:

### Gym Staff Directory vs Active Logins

---

- **Gym Staff Directory Tab:** Displays all gym staff members and trainers added to the gym. If a staff member does not have portal login credentials yet, click '+ Assign Role & Password' to create their account in 1 click.
- **Active Logins Tab:** Shows all staff members who currently possess portal login credentials. Here you can view usernames, phone numbers, active status, and send WhatsApp login credentials.

### 1-Click Account Provisioning & WhatsApp Dispatch

---

1

#### Select Staff from Dropdown

In Roles & Permissions, click '+ Add Staff Member'. Select any existing staff member from the 'Select from Existing Staff' dropdown. Name, Phone, and Email populate instantly.

2

#### Auto-Generate Password & Permissions

Click 'Auto' button to generate a strong password (or toggle eye icon to see password). Choose from presets (Manager, Trainer, Front Desk, Accountant) or customize matrix.

3

#### Send Credentials via WhatsApp

Click the green WhatsApp button next to any staff member. An instant pre-formatted WhatsApp message opens with their portal link, username, and password.

#### INACTIVE STAFF & PAYROLL RULE

If a staff member or trainer is deactivated or deleted, their salary will NOT be charged to expenses or monthly payroll reports for the upcoming month. Past payment records remain safe.

## CHAPTER 4: MEMBER ONBOARDING & REGISTRATION (2 METHODS)

Univo Gym provides two frictionless methods for admitting new members into the gym:

### Method A: Direct In-Person Admission (+ Add Member)

---

Use this when the member is standing at the reception desk ready to pay:

- **Open Admission Form:** Click '+ Add Member' button in the top right of Member Directory.
- **Fill Personal Details:** Enter Full Name, Phone Number, Email, Gender, DOB, and Workout Slot (Morning, Afternoon, Evening, Night).
- **Select Membership Plan:** Choose from predefined gym plans. Duration and pricing populate automatically.
- **Optional Personal Trainer:** Select whether member wants a coach. If yes, pick coach and package. System checks trainer shift capacity.
- **Collect Payment:** Enter Paid Amount. If full amount paid, status becomes 'Paid'. If partial, balance moves to 'Due' with automated reminders.
- **Save & Auto-Receipt:** Click 'Save Member'. Official PDF receipt generates instantly with 1-click WhatsApp send.

### Method B: 10-Minute Self-Registration WhatsApp Link

---

Eliminates front-desk queues during rush hours by letting members fill their own details on their mobile phone:

- **Generate Token:** Click 'Share 10-Min Link' button on top of Member Directory.
- **Send to Member:** Click 'Send via WhatsApp' or display the on-screen QR Code for the walk-in to scan with their phone camera.
- **Member Completes Form:** Member uploads photo, enters contact info, signs digital liability waiver, and submits on their phone.
- **Instant Verification:** Link expires automatically after 10 minutes for airtight security. Member appears in Member Directory immediately.

## CHAPTER 5: MEMBER DIRECTORY & LIFECYCLE (BUTTON-BY-BUTTON GUIDE)

The Member Directory is the command center of the gym. It features 7 automated real-time KPI filter tabs and 13 action triggers:

### The 7 Automated Metric Filter Tabs

| Filter Tab Name | Color / Badge | Condition & Automated Behavior                                 |
|-----------------|---------------|----------------------------------------------------------------|
| Fully Paid      | Green Badge   | Plan active, expiry > today, and due balance is zero.          |
| Ending Soon     | Amber Badge   | Membership plan expiring within the next 3 days.               |
| Expired         | Red Badge     | Expiry date passed today, gym gate automatically locked.       |
| Due             | Red Alert     | Payment balance remaining (Due > 0) after partial collection.  |
| Partial Fee     | Amber Badge   | Members who made token payments with outstanding balances.     |
| Gym Left        | Slate Badge   | Members who quit or discontinued. Coach slot freed up.         |
| PT Ended        | Purple Badge  | Gym membership active, but Personal Training package finished. |

### Master Guide: What Every Button Does

- **View (Eye Icon):** Opens Member Profile 360: Attendance calendar, payment history, medical notes, PT logs, and before/after photos.
- **Extend (Calendar Plus):** Adds complimentary days (+10 days or custom) to an active member's expiry without creating a bill (useful for holidays/injuries).
- **Gym Renew (Rotate Ccw):** Initiates a fresh membership cycle when plan is ending soon or expired. Prompts plan selection, collects fee, and issues bill.
- **PT Renew (Sparkles Icon):** Renews Personal Training package when coach duration has ended. Re-engages trainer shift and updates commission.
- **Collect / Remaining (Rupee):** Opens fast payment collector for members with outstanding due balances. Updates due to zero and prints balance receipt.
- **Receipt (Receipt Icon):** Opens official payment invoice modal. Generates professional PDF with gym logo and sends formatted receipt to member's WhatsApp.
- **Edit (Pencil Icon):** Allows updating phone number, workout slot, emergency contact, email, address, and profile photo.
- **Left (LogOut Icon):** Marks member as 'Left Gym'. Prompts leaving reason. Frees trainer shift schedule and revokes member portal login.
- **Rejoin Gym (Rotate Ccw):** Exclusively for Left members. Opens Membership & Fee Modal with validity starting TODAY. Collects new fees and generates new bill.
- **Delete (Trash Icon):** Permanently deletes member record from database and local cache after mandatory confirmation.
- **+ Add PT (Plus Badge):** Enables mid-month personal training add-on for existing floor members without resetting their gym plan validity.
- **End PT (Stop Icon):** Ends personal training package while keeping general gym access intact. Frees coach schedule immediately.
- **Lock/Unlock Gate (Padlock):** Instantly blocks or restores biometric turnstile access for disciplinary or administrative reasons.

## CHAPTER 6: BIOMETRIC ATTENDANCE & TURNSTILE ACCESS CONTROL

Supports Secureye, Realtime, ZKTeco, and e-SSL machines with real-time fee expiry locking and gate synchronization:

### The 4-Point Real-Time Gate Security Engine

The moment a member touches the scanner, Univo Gym verifies 4 security points in under 0.1 seconds:

- **Point 1: Expiry Verification:** If expiryDate < today, status becomes 'DENIED: Membership Expired on DD/MM/YYYY'. Turnstile remains locked.
- **Point 2: Pending Due Check:** If member has an overdue balance (status == 'due'), gate denies entry: 'DENIED: Pending Balance Rs.X'.

- **Point 3: Account Status Check:** If member is marked as Left or Terminated, gate denies entry: 'DENIED: Account Terminated'.
- **Point 4: Manual Lock Check:** If owner toggled 'Lock Gate' in software, gate denies entry: 'DENIED: Access Suspended by Owner'.
- **Access Granted (Green):** If all 4 checks pass: Screen flashes green 'ACCESS GRANTED', buzzer chimes, daily attendance logs, and workout streak increments +1.

## Connecting Hardware to Software

- **Cloud Webhook Mode:** For Realtime/eSSL/ZKTeco. Enter Webhook URL 'https://api.univogym.com/api/biometric/push' in machine menu. No local server needed!
- **Local LAN / Bridge Mode:** For Secureye S-B8CB. Machine connects to gym Wi-Fi router (Port 5005/7005). Local gateway syncs punches into cloud.
- **USB Flash Drive Mode:** For gyms without internet. Plug pen drive into machine, select 'U-Flash > Download GLog', and upload file in software.

## CHAPTER 7: BILLING, PAYMENTS & WHATSAPP RECEIPTS

Every rupee collected in Univo Gym generates compliant accounting entries and instant customer receipts:

### Flexible Payment Collection

- **Supported Payment Modes:** Full Cash, Online UPI (GPay/PhonePe/Paytm), Direct Bank NEFT/RTGS, and Split Payments (e.g., Rs.2,000 Cash + Rs.1,000 UPI).
- **GST & Non-GST Support:** Toggle GST tax calculation with custom tax percentage and HSN/SAC fitness codes.
- **Automated Receipts:** Generates professional PDF with receipt number, gym logo, QR payment verification, and terms.
- **1-Click WhatsApp Sharing:** Pre-formatted message sent directly to member's WhatsApp phone with plan validity, trainer name, and receipt link.

## CHAPTER 8: DAILY WALK-INS & LEAD MANAGEMENT (VISITS)

Convert walk-in prospects into paying members with automated follow-up tracking:

- **Log Walk-In:** Record prospect name, phone, interested plan, source (Google, Instagram, Referral), and trial demo date.
- **Follow-Up Pipeline:** Categorized into New Lead, Trial Demo Done, Follow-Up Scheduled, Converted, and Lost.
- **1-Click Member Conversion:** Click 'Convert to Member' on any lead. All contact information transfers into admission form automatically.

## CHAPTER 9: EQUIPMENT STOCK & EXPENSE TRACKING

Protect gym assets and monitor maintenance schedules to prevent equipment downtime:

- **Stock Catalog:** Track Machines, Barbells, Dumbbells, Weight Plates, Cable Attachments, and Consumables (Chalk, Sanitizers).
- **Service Interval Alarms:** Set maintenance intervals (e.g., Cable lubrication every 30 days). System flags items when service is overdue.
- **Expense Tracker:** Record daily expenses (Cleaning, Repairs) and monthly recurring overheads (Rent, Electricity, Trainer Salaries).

## CHAPTER 10: DAILY SOP CHECKLIST (HOW TO RUN THE GYM SMOOTHLY)

Follow this daily routine to ensure error-free gym operations:

### 1 Morning Opening (Front Desk)

1. Open Attendance page and confirm biometric machine is Online.
2. Review 'Ending Soon' tab in Member Directory and send WhatsApp renewal reminders.
3. Check 'Due' balance tab and collect any pending balances.

**2****During The Day (Admissions & Demos)**

1. Register walk-in inquiries under Visits & Demos.
2. Admit new members using '+ Add Member' or share '10-Min Self Register Link'.
3. Collect fees, select payment mode, and send WhatsApp receipt.

**3****Evening Closing (Cash & Reports)**

1. Go to Payments > Today's Collection. Reconcile total Cash against cash drawer.
2. Record any daily petty cash expenses under Expenses.
3. Check Reports > Daily Report to view today's revenue, new admissions, and net profit.
